

- Max. Pressure: 360mbar
- Coil Type: AC Coil (non-rectified)
- Supply Voltage: 230VAC
- Supply Power: 9W
- Coil Connection: DIN-43650 Form A
- Weatherproof to IP65

ZVG15

Class A to EN161

Introducing the latest addition to our World class range of Gas Solenoid Valves.

This brand new design offers a more compact, affordable variant to one of the most popular valves currently on the market, our ZEV15 (1/2").

Type	Size	Thread	Voltage	IP Rating
ZVG15	1/2"	BSP	230Vac	65
